

Summer Nature Camps 2011!

Steele Creek Park Nature Center

Animal Tracking & Orienteering Camp - Map and compass, shelter building and survival skills, identifying animal tracks and droppings, this camp is all about staying safe and having fun in the great outdoors.

Ages 10 - 13 June 6th - 10th

Freshwater Nature Camp - Streams, creeks, wetlands and the lake at Steele Creek Park offer unique habitats, and unique creatures that inhabit them. This camp explores all of the freshwater habitats the park contains!

Ages 7 - 9 June 13th - 17th

Geology & Paleontology Camp - Rocks, Minerals, Fossils, and the processes that form them will be the focus of this camp. Children will be introduced to their planet

Earth through a variety of programs, hikes and field work. Participants will also get to take part in an actual fossil dig!

Ages 10 - 13 June 20th - 24th

Nature Discovery Camp - This camp allows children to experience the diversity of nature. The camp focuses on a different habitat each day. Streams, Meadow, Wetland, Forest, and Lake communities are explored through exciting hands-on activities.

Ages 7 - 9 July 11th - 15th

Nature Photography Camp - This brand new nature camp offers kids the skills and opportunities to capture astounding images from Steele Creek Park. Each day will be a new technique and new opportunities for great shots! No camera? No problem - we have cameras to loan all participants of this camp!

Ages 7 - 9 June 27th - July 1st

Ages 10 - 13 July 18th - 22nd

All camps are limited to 15 participants. The registration fee is \$55.00 (\$50.00 if paid before May 31st), which includes a t-shirt and all materials for the camp. Camp scholarships are available for those in need of assistance. Camps begin at 8:30 am and last until 12:00 noon. For more information please contact the Nature Center at 423-989-5616 or the Department of Parks and Recreation at 423-764-4023.
