The e-mail with each entry (or group of entries) must include the photographer's name, mailing address, phone number, and preferred e-mail address. Each photograph should be identified with a title. Entries may be submitted beginning Monday, August 3, 2020; deadline for photo submissions is 11:59 pm, Wednesday, September 30, 2020.

Each entrant must certify that they have read and agree with these contest rules. **Please complete the form (found on page 2 of this document) and return it either by scanning and e-mailing it with one of your photos, OR by mailing it to Friends of Steele Creek Nature Center and Park, P.O. Box 1763, Bristol, TN 37621.**

Entrants must have full rights to any photographs submitted. Photographs may not have been previously published and may not have won any previous contest. *Friends of Steele Creek Nature Center and Park* ("Friends") will retain non-exclusive rights to use the images for educational, promotional and/or fundraising purposes without obtaining further permission and/or providing compensation to the photographers.

Each entrant is limited to a total of 10 photographs. The photos must have been taken within the boundaries of Steele Creek Park, and should focus on the natural aspects of the Park. **Photo files must be submitted in jpg format.** It is **recommended** that each jpg file be at least 1 MB (or have a resolution of at least 1000 x 1000 pixels) and **required** that each jpg file be less than 10 MB. It is highly recommended that they be submitted in their correct orientation (i.e. not requiring rotation).

There are two divisions for submissions: Adult and Youth. Youth must be younger than 16 as of October 1, 2020 (i.e. birth date after October 1, 2004). Entrants are limited to a total of 10 photographs submitted.

To be eligible for cash prizes, an entrant may not derive more than 10% of their income from work as a photographer and may not regularly compete in and/or have photographs accepted for exhibition in other regional (i.e. beyond the Tri Cities region), national, or international competitions. The following individuals may submit entries, but are ineligible for prizes: *Friends* Board members and their immediate family members, Nature Center staff and their immediate family members, and jurors and their immediate family members.

**To be eligible for cash prizes each entrant must pay an entry fee of \$10, which must be received by Friends no later than October 2, 2020.** Up to 10 photos may be submitted for the single \$10 entry fee. Payment may be made by check payable to *Friends of Steele Creek Nature Center* (designated for "Photo Contest") and mailed to *Friends of Steele Creek Nature Center*, P.O. Box 1763, Bristol, TN 37621 **OR** by using our secure [online donation portal](#).

Prizes will be awarded for one or more photographs in each division for which there are sufficient submissions (i.e. a total of at least 10 photographs submitted by at least 3 photographers in the division). The value of the award(s) will be determined prior to the judging, based in part on the number of entries in each division. In any event, the minimum prize amounts for first place will be \$50 for the adult division and \$25 for the youth division. Additional prizes, ribbons and certificates may also be awarded. Photographs will be judged on general interest, creativity, and technical quality. Jurors will be professional or experienced amateur photographers from the local community. All decisions made by the jurors will be final.

All submissions will be displayed online and electronically at The Nature Center during Wildlife Weekend at Steele Creek Park. Prize winning entries will be printed (by *Friends*) and displayed as prints during and after Wildlife Weekend. Winners will be announced online during Wildlife Weekend.
