

# FRIDAY, OCT. 13

## 6 P.M. - WELCOME RECEPTION/OPENING LECTURE CHRIS OGLE: CREATURES OF THE NIGHT

A Native of Sevier County, Chris works as a Nongame/Endangered Species Biologist for the Tennessee Wildlife Resources Agency in Region IV, covering the 21 eastern counties of Tennessee. He specializes in rare, threatened and endangered species.

## 7 P.M. AMATEUR PHOTOGRAPHY CONTEST AWARDS

Get an up-close look at the award winning photos in this year's photo contest in both adult and youth categories. Winners were chosen by a team of professional photographers based on how well they captured the natural aspects of Steele Creek Park.

# PARK *after* DARK
